

# Green and Clean

## FREE ENERGY SOLUTIONS PVT. LTD.

*Powering a Brighter, Greener Tomorrow with Solar Energy*  
*Established 2021 | Solar EPC Experts | PAN India Services*

### ◆ Who We Are

#### About the Company

Green and Clean Free Energy Solutions Pvt. Ltd. is a solar energy company dedicated to designing, installing, and maintaining solar power systems for homes, businesses, industries, and institutions across India. Since 2021, we've been helping our clients make the switch to clean and renewable energy—efficiently and affordably.

### ✂ What We Do:

We offer end-to-end EPC (Engineering, Procurement, Construction) solar solutions—from concept to commissioning.

### 🌍 Our Vision

“To lead India’s clean energy movement by making solar power affordable, accessible, and reliable for all.”

### 🎯 Our Mission

- Deliver eco-friendly energy solutions tailored to every client
- Reduce carbon emissions, one rooftop at a time
- Provide lifetime support and system efficiency through expert service

### 💡 Core Values

 Sustainability  Integrity  Quality  Innovation  Customer Focus

### 🎨 Visual Elements Suggestion:

- Background: Light green & white
- Icons for each core value
- Hero image: Solar panels under bright sun or rooftop installation

## ◆ What We Offer

### ⚙️ Our Services

#### 🔧 Engineering, Procurement & Construction (EPC)

**Full design, supply, and installation of solar systems**

#### ☀️ On-Grid Solar Systems

Systems that work with utility power for zero electricity bills

#### 🔋 Off-Grid & Hybrid Systems

With battery backup for remote or unreliable areas

#### 🔧 O&M (Operations & Maintenance)

Health checks, cleaning, and monitoring for system longevity

#### 📊 Energy Audit & Consulting

Assess energy usage and recommend savings with solar

### 🏢 Who We Serve

- 🏠 Homeowners
- 🏢 Offices & Commercial Buildings
- 🏥 Hospitals & Clinics
- 🎓 Schools & Colleges
- 🏭 Industrial Plants & Factories
- 🚜 Rural Electrification Projects

### 🧠 Our Strengths

- ✓ Experienced EPC team
- ✓ Use of Tier-1 solar panels & equipment
- ✓ Strong vendor & supplier networks
- ✓ Smart monitoring and tracking systems

### 🎨 Visual Elements Suggestion:

- Infographic style layout for services
  - Icons for each service category
  - Images: Rooftop solar setups, factory installations

## ● Our Impact & How to Reach Us

### ☀️ Key Achievements

📍 Location	🏠 System Size	👥 Client Type	📅 Year
Motihari	25 kW	Residential Society	2021
Gopalgunj	5 kW	Residential	2022
Areraj	10 kW	Residential	2023

✅ **1,200+ tons** of CO<sub>2</sub> emissions reduced

✅ **40+ happy clients** across India

### ♥️ Why Choose Us?

- 📁 Turnkey Projects – From planning to power-on
- 🗣️ Strong after-sales service
- 💰 Help with subsidies and financing
- 📊 Custom solutions with strong ROI
- 🌍 Commitment to a greener future
